PHARMATUTOR**  
PHARMACY INFOPEDEA

## OBJECTIVE OF THE CONVENTION:

It is needless to say that the image of Pharmacy Profession in India is not up to the mark and there is an urgent need of proper projection of its importance to give message to the Society that "PHARMACIST GIVES LIFE TO MEDICINE". So, to achieve our social status and professional dignity we need a national convention in presence of PCI and the respective State Council Members along with all Pharmacists associations / Pharma activists, Teachers, Researchers, Students, Policy makers and Pharmacy Practitioners across the country to make a new *Road map*

## "TO UPLIFT THE SOCIAL AND OFFICIAL STATUS OF PHARMACY PROFESSION IN NEAR FUTURE"

The main attraction of the Convention is the presence of Dr. B. Suresh, President of PCI and Central Executive committee of PCI along with other renowned dignitaries. The Pharmacist can have a live interaction with the focal persons. The students will also get an exposure to the diversity of Modern Pharmaceutical Science, particularly in Research, Academic, Production, Marketing and its Clinical Application by exchanging their thoughts with Resource persons.

- # Recent trends in pharmaceutical science.
- # Community Pharmacists and their role in modern healthcare system in India.
- # Indigenous medicine of North-Eastern region.

## CALL FOR ABSTRACT FOR POSTER PRESENTATIONS

The Abstract should be structured into the following sections: Title, Authors (List of authors, presenting author listed first), Affiliation (Institutional Affiliation), E-mail and phone number of submitting author, Type of Study: (Clinical/Basic/Experimental), Objectives, Methods, Results, and Conclusions.

### Guidelines on Submission of Abstracts:

1. Registration for the conference is mandatory for presentation of the abstract.
2. The abstract (about 300 words) must be submitted online only in MS-word file (Font: Times New Roman, 12 size, and 1.5 line spacing).
3. Abstracts will be judged according to the scientific merit and relevance by the scientific committee.
3. The presenting author should be willing to present the work during the conference as a poster presentation as assigned by the scientific committee.
4. If an abstract is accepted as a poster presentation, the presenting author will be requested to be available for discussion during the corresponding poster viewing session.
5. At the time of abstract submission, the submitter must identify who will be the presenting author. To be eligible to present, authors will be required to confirm they had full access to all of the data in the study and take responsibility for the integrity of the data, accuracy of the data analysis, and approving the data for presentation. The presenting author need not be the first author, but must be a listed author on the abstract. Only one presenter is permitted per abstract.

Notification of the accepted abstract will be mailed to the authors by 02<sup>nd</sup> March, 2019.

Important dates	
Opening of online registration	05-02-2019
Closing of online registration	08-03-2019
Last date of abstract submission	28-02-2019
